ASK ME ABOUT PERSONALIZED SUPPLEMENTS

How is True Personalization Different?

We're offering the only truly personalized vitamin in clinic.

We use a health-informed approach to create a truly personalized formula without the use of artificial additives or fillers. Welcome to a new era of personalization.

What you get:

- ✓ An all-in-one formula that's completely unique to you.
- ✓ An easy way to reduce the number of supplements you need to take.
- ✓ A supplement that can evolve and change as you do.
- ✓ A carefully crafted formula made with high-quality, bioavailable ingredients.

Quality Promise

You have access to over 200+ professional-grade ingredients, carefully selected and curated so you get the highest quality, most bioavailable ingredients from trusted suppliers around the globe. We meticulously select and dose a formula that's just right for you. Our formulas are free of added artificial fillers and magnesium stearate. And in the name of personalization, our formulas can be modified to be gluten and/or vegan-friendly.

Are Personalized Supplements a Good Fit for You?

Do you want to combine the supplements you're currently taking into one product?

Are there nutrients or herbs missing from your supplement regimen that could be included in a personalized product?

Do you want to optimize your health and correct nutritional deficiencies?

Do you buy supplements and forget why you're taking them?

Did you answer YES to one or more of these questions?

Then, ask your practitioner how they can formulate for you!
